**REPORT AND RECOMMENDATION**

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on November 13, 2009, after receiving the written consent of defendant and all counsel. There is no written plea agreement. At the hearing, defendant Jesus Manuel Payan-Duran entered a plea of guilty to Count One of the Indictment charging defendant with conspiracy to distribute and possess with intent to distribute cocaine in violation of 21 U.S.C. §§ 846 and 841(a)(1). On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to Count One of the Indictment be accepted, and that the court adjudicate defendant guilty. Acceptance of the plea, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.

Date: November 13, 2009
